What makes NPAP unique is the freedom of choice –

the freedom *to choose*

what feels authentic to you

from a broad array of theoretical orientations,
which analyst and supervisors you want to work with,
and what pace and patient caseload
best fits your scheduling needs.

- ★ We welcome masters level graduates in the humanities, arts and sciences, law, business, as well as social work, psychology and medicine.
- ★ We offer training to those with all levels of experience – or no experience at all.
- ★ Our training fulfills requirements for the NY State license in Psychoanalysis. Candidates with an MSW or MA in Psychology can gain clinical experience towards licensing.
- ★ Our referral service provides clinical experience for all candidates and an opportunity to qualify for an educational stipend.
- ★ Upon licensure or graduation, training patients may be taken into private practice.
